#### Regulatory Compliance Statement

This development board is classified as a subassembly in accordance with FCC CFR Title 47 §15.101(e):

[https://www.ecfr.gov/current/title-47/chapter-I/subchapter-A/part-15/subpart-B/section-15.101#p-15.101\(e\)](https://www.ecfr.gov/current/title-47/chapter-I/subchapter-A/part-15/subpart-B/section-15.101#p-15.101(e)).

The device does not have standalone functionality and does not include an enclosure or power supply. It is primarily intended for development and prototyping purposes; however, if integrated into an end-use product, it becomes the responsibility of the developer or manufacturer to ensure the final product complies with all applicable regulations, including obtaining necessary certifications for FCC and other relevant standards.
